Established in 2005 Racket is an award winning art & design studio based in The Blue Mountains of Australia. Founded by Rachel Peachey and Paul Mosig, Racket specializes in unique and beautiful work for **web & print**. Our approach to design is informed by our background in visual arts, new media and human ecology. We are experienced visual artists, with interests in sustainable practice, community engagement and cultural development.

HOW PEOPLE  
CHANGED THE WORLD  
THROUGH COMMUNICATION

WE ARE DEDICATING THIS SPACE TO HONOR PEOPLE WHO HAVE DONE PART OF THIS JOURNEY

## We turn **your design** into standards compliant hand coded **XHTML&CSS**

All that and more, in just 3 days, for only ~~\$249~~ \$199!\*

**SUBMIT**  
your project here!

### What do I get?

- ➔ Standards Compliant XHTML
- ➔ SEO and semantic code
- ➔ Structured optimized CSS
- ➔ Hand coded XHTML & CSS
- ➔ Cross Browser Compatibility

### How does design to HTML conversion work?

You send us your design in PSD, PNG or another graphic format by filling out the [order form](#).

We'll confirm your order in an email detailing pricing, schedule and other project details. After you make payment through PayPal and answer any other questions we may have we'll start coding.

### \* asterisk

All orders are now charged a base price of \$199. Additional similar pages (sharing common elements) are now \$99.

O MĚ

[nově na webu](#)

Narozen 26.06.1972

Kromě komiků a karikatur maluje Štěpán i karé, folk obrázky. Zpočátku byl výrazně ovlivěn S. Dastí, používal tuš, štetec a tempery.

Postupně i v pracovních stylech vstřítná a na různé materiály maluje výhradně olejem.

# TOTAL FINAL ENERGY CONSUMPTION *By* FUEL

Final energy is energy supplied that is available to the consumer to be converted into useful energy (e.g. electricity at the wall outlet).
